Reiki Home

Reiki Home is a growing global network of individuals and Reiki communities inspired by the daily practice of Reiki.

Reiki Home holds the understanding of Regenerative Living and embraces the diversity and oneness of humankind, nurturing the inter-connection of all living things which flow within the Natural Order of Life.

It is a place that welcomes all practices of Reiki, fulfilling our need to bring us together, to love one another and to respect and honor each other.

Reiki Home supports the development of global community, facilitates connection between its' members, offers access to teachers through webinars and virtual Reiki circles, shares experiences of Reiki in Action and provides the opportunity for physical interaction with one another.

2019 - 2020
Board of Directors

The Reiki Home Board of Directors expresses deep sadness in learning of the death of Phyllis Lei Furumoto, Lineage Bearer of Usui Shiki Ryoho on Sunday, March 31.

We join the global Reiki community in shared grief and celebration of her life and legacy. Over the decades, she worked tirelessly to further the Usui Shiki Ryoho System of Reiki. Her loyalty to Reiki knew no limits.

Phyllis had an authentic relationship with Reiki Home; supporting and criticizing its growth in her desire for Reiki Home to manifest. She shared her insight, wisdom and ideas; she asked difficult questions.

One of her greatest gifts was her willingness to engage in conversation and stay in relationship. She longed for reconciliation even when division was present. She continuously worked to enhance unity in the global Reiki community.

In February, at her last meeting with the Board, she asked, "What is happening in Reiki Home? Where do you want to go?" Her parting words at that meeting were:

"Conversation is the seed; it always grows the fruit it was intended to. It is our work to accompany that growth. It is not easy; we want to please other people. I'm really happy to be part of this work. Thank you."

Phyllis was a Master, Teacher, Mentor and Friend. As we grieve her passing, we celebrate her legacy. We are grateful for the years we worked together, the shared dream of Reiki Home and the memories we created together.

As we sit in circle continuing the conversation, we invite the global community to join us as we honor her with our service through Reiki Home.

This morning, March 31, 2019 at 0710 Phyllis Lei Furumoto passed from this life. Her transition started a few days ago as she became unresponsive to this physical world. From this early morning, I held her in my arms until the end, as she wished. We were surrounded by family, dear friends and her students.

As I watched her body being taken away from our home, I entered into an unknown space, one that we all share. I ask, How do I go on without her? And I feel deep within that she has given me, given us all, gifts for us to carry on. Her legacy is in our hands, in our hearts.

These past weeks have been an event, as you may imagine with Phyllis, full of love, Reiki, people, tears, laughs, hugs, fears, transitions, challenges, music, good food and more good food. Our home has overflowed with your gifts, flowers, cards, calls and most of all your true selves. I have been sailing on an ocean of love, wave after wave, surfing to places unknown. I pray that I may show my gratitude, in some way, to the global Reiki community.

With Great Sadness and Joy,
Joyce

Whisperings

By: Hilde de Vos

This poem was written during the opening day of the 21-Days of Reiki Meditation.

PEACE OF YOUR HANDS

Let the peace of your hands
escape to the world,
right now,
in this very moment.

Let the harmony of your breath
envelop the earth
and caress her as a mother.

Be a mother to her
as she is for you.

Be the inner child for her
as she is for you.

Be your true Self
as you proceed from here.

Be in oneness with her
as you are with us at the other side.

Know there is support
along the way, all the way
to heal your relation with the earth
as you heal the relation with yourself.

I know your hands hurt,
your heart is in sorrow.

Know that there is forgiveness on the way
from the moment you forgive them all.

With your hand on your heart

Inspired Guidance

By: Frank Coppieters

The mysterious force of the universal life energy
is running through you now.

Reiki is flowing all over the earth, throughout nature
and in every single atom in the universe.

Reiki is potently present when one forms changes into
another form.

Leaves of trees turning their colors
and finally dropping on the ground in Fall.

New buds opening to Spring.

So much tenderness in the passage from the human form
into formlessness.

There is a line in the Heart Sutra which says:
Form is emptiness, emptiness is form.

When a great teacher or master makes their transition
a field of liberation becomes available
for everyone connected with them.

There is obviously a deep mourning of the loss of the form of
the person that can no longer be touched or cherished,
physically.

There is also a deep gratitude for the value of the teachings
that have been planted and will continue to blossom.

Phyllis Furumoto, till the very end, shared so many gifts
with the world community of Reiki.

These gifts are now living in your heart.
They inform your practice.

They demonstrate the delicate dance between
form and essence
for all living beings.

When there is a tension between form and essence
there is a great opportunity for growth.

When form and essence are in harmony
there is deep peace.

May deep peace be given to all beings.

May deep peace be given to all beings.

The overflowing abundance of universal life energy is in you
now.

A beautiful song composed by Phyllis, is here to stay:

*"What is the song that is singing in me now.
That goes on, and goes on, and goes on.
And changes.
And goes on, and goes on, and goes on."*

What is your song?

Everyone has one.

The universe wants to hear it.

So many expressions of Reiki today

Expressions of the one love.

Love is your essence and never leaves from existence.

It goes on, it goes on, it goes on.
