## Remembering Phyllis: Commemorative edition

### Special Touch Magazine Issue

*Touch Magazine* is delighted to offer a special Commemorative edition this summer in honor of Phyllis Lei Furumoto, Lineage Bearer for the Usui Shiki Ryoho system of Reiki, who passed away on 31st March 2019.

Sharing candid stories and personal photos from many of Phyllis' closest family, colleagues and friends this very special edition of Touch captures the spirit of Phyllis' pioneering attitude, charts some of her travels to far flung corners of the globe and illustrates her untiring dedication to preserving the teachings of her grandmother, Hawayo Takata.

other.

Reiki Home supports the development of global community, facilitates connection between its' members, offers access to teachers through webinars and virtual Reiki circles, shares experiences of Reiki in Action and provides the opportunity for physical interaction with one another.

## Open Panel Discussion a Circle of Scholars Webinar

### About this webinar

Reiki students often encounter questions about Reiki practice as we grow deeper into our understanding of all it has to offer. In this Circle of Scholars Webinar, academic scholars who have conducted research on Reiki practice will discuss Reiki from the perspective of their research findings and address your questions in an open panel discussion with participants.

Register for this webinar and present your question(s) during this process. To submit a question for consideration, please use the Contact Us form. **Questions need to be submitted by July 15.** The scholars will review all questions presented and time permitting, will address each one.

This is an open conversation; participants are invited to share. The focus of the panel is on the history, culture and spirituality of Reiki. Students with questions on the practice of Reiki are encouraged to ask their Reiki Master.

### Webinar Information

Date: Saturday, July 20, 2019

## Peace of Your Hands By: Hilde de Vos

### PEACE OF YOUR HANDS

Let the peace of your hands  
escape to the world,  
right now,  
in this very moment.

Let the harmony of your breath  
envelop the earth  
and caress her as a mother.

Be a mother to her  
as she is for you.

Be the inner child for her  
as she is for you.

Be your true Self  
as you proceed from here.

Be in oneness with her  
as you are with us at the other side.

Know there is support  
along the way, all the way  
to heal your relation with the earth  
as you heal the relation with yourself.

I know your hands hurt,

## Mythology in Reiki History: A Circle of Scholars webinar

**August 17, 2019**

In popular parlance, "myth" can mean a story that is widely-believed but is actually untrue. However, in scholarly usage, mythology is a category of narrative that conveys meaning and values. The details of a myth may not be entirely historically accurate, but it is capable of transmitting a different kind of truth about human experience than history.

In the history of Reiki, teachers have used storytelling to establish their authority and to pass essential lessons to their students.

Join Dori Beeler, Robert Fueston, Liad Horowitz, and Justin Stein in a provocative discussion of the power of storytelling and the nature of truth.

## Reiki in Japanese Culture: A Circle of Scholars Webinar

**September 21, 2019**

Regardless of what style of Reiki you practice, you can trace your lineage back to Mikao Usui (1865-1926), who taught his Reiki Therapy (Usui Reiki Ryōhō) in Tokyo in the 1920s.

Usui-sensei said his therapy was "entirely original," inspired by a mystical experience on a sacred mountain outside Kyoto, but historical research has uncovered numerous influences on his teachings that likely stem from other practices in early twentieth-century Japan. In some sense, our practices contain some aspects in common with other Japanese arts or "ways" like martial arts, tea ceremony, calligraphy, or flower arrangement.

In the contemporary world, some practitioners are interested in reinforcing the Japanese identity of their practice, while others embrace a more eclectic or experimental approach to their practice. Join Dori Beeler, Liad Horowitz, Jojan Jonker, and Justin Stein for a discussion of the role of Japan and Japanese culture in Reiki's roots and its fruits.

## Inspired Guidance - The Time Is Now

By Frank Coppieters, July 16, 2019

Absorb the power and the love  
of your magnificent medicine wheel.  
It is activating a field  
of very necessary and very healthy change.  
Feel it in the cells of your body and your being.

Your circle is part of the great turnaround.  
Millions and millions of light workers around the planet  
are convinced in their heart of hearts that the time has come.

The time of unity consciousness.  
The time of the emergence of the divine feminine.  
The time of cooperation  
between divine feminine and divine masculine.  
The principles are sharing, justice and love-based action.

The violence against Mother Gaia has to stop.  
Your healing and your transformation  
benefits the environment around you.  
You and many in the younger generations  
are the ones you have been waiting for.

As a shaman you honor your ancestors  
and you hold a sacred vision for the future.  
All this while fully living in the now.
